

CHOOSE KINDNESS CHATTERBOX

INSTRUCTIONS

Cut out the chatterbox along the dotted line.

Fold each corner to the opposite corner, then unfold to create creases.

Fold each of the corners to the centre of the page with the coloured design on the outside.

Now your chatterbox should look like this.

Turn the chatterbox over so the yellow side is facing up.

Fold each of the corners into the centre to create another smaller square.

Now your chatterbox should look like this.

Now fold the chatterbox in half to create a rectangle.

Open out the chatterbox and fold it in half again along the opposite crease.

Your chatterbox is ready to use!
